

SAVSOL GREASE AP-3 PLUS

DESCRIPTION:

SAVSOL GREASE AP-3 PLUS is multipurpose premium quality lithium grease specially designed for heavy duty trucking and various automotive and industrial applications.

APPLICATION:

SAVSOL GREASE AP-3 PLUS is recommended for lubrication of wheel bearings, chassis components of automotive vehicles, ball joints, couplings, linkages, axles, universal joints, bushings, etc. and all other mechanical parts used in automotive, industrial and other services.

SPECIFICATIONS:

SAVSOL GREASE AP-3 PLUS meets the following performance specification requirements of:

➤ NLGI # 3

ADVANTAGES:

SAVSOL GREASE AP-3 PLUS offers the following advantages:

- High drop point and high operating temperature.
- Superior protection against rust and corrosion.
- Excellent thermal and oxidation stability.
- Longer bearing life and prevents leak out from bearings.
- Outstanding mechanical stability ad resistance to softening delivers long grease life.
- Excellent water washout property gives extended component protection and prolonged equipment life.

SAVSOL GREASE AP-3 PLUS

TECHNICAL SPECIFICATIONS: SAVSOL GREASE AP-3 PLUS

CHARACTERISTICS	ASTM METHOD	SAVSOL GREASE AP-3 PLUS
Appearance	Visual	Homogeneous
Texture	Visual	Smooth
Color	Visual	Light Yellow
Soap Type		Lithium
Penetration 60 X @ 25°C	D 217	240
Drop Point	D 556	190

The above details are typical results of normal production and variations in these characteristics may occur. The information contained herein is subject to change without notification. All recommendations and suggestions are without guarantee and the manufacturers do not accept liability for any loss or damage, however arising, which results directly from the use of such information, nor do we offer any warranty.

STORAGE

Store the products indoors and avoid direct sunlight or heat. Please keep the container in closed condition always.

ENVORNMENT, HEALTH AND SAFTEY

- Do not dispose the used oil to soil, drains and water. Dispose the used oil through authorized collection point
- This product is unlikely to present any safety & health hazard when properly used in the recommended application.
- Avoid contact with skin and eyes. After skin contact, wash with water and soap.
