MILESTONE MOMENTS IN OUR JOURNEY

1961

Incorporation of SAVITA by Late Mr. Nandkishore Mehra, along with his father Mr. Devichand Mehra.

Set up SAVITA's first manufacturing unit at Sakinaka, Mumbai to manufacture liquid paraffin as an import substitute.

1976

Set up-first-of-its-kind Research and Development Centre in the private sector oil industry.

1994

Public issue and listing of SAVITA on BSE and NSE.

1998

Expanded manufacturing of petroleum specialties by setting up fourth manufacturing unit at Kharadpada, Silvassa.

1969

Established the second manufacturing unit at Turbhe on the outskirts of Mumbai for the manufacture of petroleum specialties.

1989

Set up another manufacturing plant at Mahad in Maharashtra.

1997

Accredited with ISO 9001 Certification, The first and only Petroleum specialty company in the private sector to receive this certification then.

1999

Commissioned the first Windmill of the company in Maharashtra, marking the beginning of SAVITA'S foray into alternative and sustainable energy sources.

2002

Achieved the government recognised Star Export House Status, with exports to over 75 countries worldwide.

2009

Company renamed to SAVITA Oil Technologies Limited.

2018

Re-launched SAVSOL
A new green avatar.

2021

Completed

2007

Launched SAVSOL,
SAVITA'S own brand of
lubricating oils.

SAVSOL

2013

Setup a fifth, fully automated, state-of-the-art manufacturing unit at Silli, Silvassa for the manufacture of entire range of petroleum specialty oils.

2020

Launched SAVSOL Bio Boost, one of India's most biodegradable engine oils.

2024

Revamped SAVSOL brand and launched new Ester range SAVSOL ESTER 5 infused with ESTER FLUID TECHNOLOGY. Introduced Sidharth Malhotra as Brand Ambassador.

MALHOTRA**
AS ITS BRAND AMBASSADOR

ESTER IN SAVSOL RANGE

The new Ester Fluid Technology is a quantum leap in lubricant development. It offers superior thermal stability and significantly diminishes friction. Esters are Group V synthetic base oil that are used in high performance applications like Jet Planes, Racing Cars, Wind Turbines etc where stable lubrication is most essential and failure is not an option.

COMPREHENSIVE PRODUCT PORTFOLIO

OUR TECHNOLOGY PARTNERS

2-WHEELER / 3-WHEELER OIL RANGE

Enjoy unmatched smoothness, improved fuel efficiency, and superior thermal stability while extending your engine's lifespan with Savsol's Bike Engine Oils.

OUR 2-WHEELER/ 3- WHEELER PARTNERSHIPS

Company	Product Category	Trusted Since
	ENGINE OIL Genuine	
	ENGINE OIL Genuine	
	EV TRANSMISSION FLUID	
	EV COOLANT	

PASSENGER CAR OIL RANGE

Experience driving excellence with our range of Car Engine Oils, designed for optimal performance.

OUR PASSENGER VEHICLE PARTNERSHIPS

Company	Product Category	Trusted Since
TATA MOTORS	ENGINE OIL Genuine	 TRUSTED PARTNER 5+ Years
